

# CONNECT with GT

## Phoenix

### How can I learn more about GT Phoenix?

Grant Thornton will be hosting a series of West Region virtual panels to help you get to know our Phoenix professionals better. Once you begin the registration process, you'll be provided the details of each virtual event.

### How do I register?

Below you will find the registration links to our upcoming sessions! Just click the link of the session you are interested in, and it will take you directly to the registration page with the details of each virtual event. Once you are registered, you will receive an email confirming the date/time to hold on your calendar and the link to join the session.

For any questions, please reach out to your local recruiter:

#### People and Culture

At Grant Thornton, our culture sets us apart from the rest. You'll find leaders who are committed to investing in your career and personal development. A collaborative, inclusive and respectful environment where you're encouraged to share your ideas.

#### Career Development

We offer an accelerated career path that includes professional training and development. Management processes that value, recognize and reward performance.

#### Diverse Experience

The difference between Grant Thornton and our competition is the opportunity to work on a variety of client engagements where you will gain exposure to many project components and grow your knowledge and skill set. As your career progresses, we offer the opportunity for professional mobility through programs such as international assignments and internal technical rotations.
