

ANDERSON

# I-CORPS DAY

## JOIN US

Learn how to fund your discovery/invention or get involved in technology entrepreneurship.

Recommended for faculty, inventors, post-docs, graduate students, aspiring non-technical entrepreneurs or anyone interested in developing products from technology!

National experts and proposal evaluators will present best practices and opportunities for funding discoveries that might be commercialized including NSF I-corps, SBIR and STTR. All are welcome!

**THURSDAY,  
NOV. 10, 2022**

UNM Student Union  
Building (SUB)  
Santa Ana Rooms A & B
