

RNA Innovation Seminars

Monday, Sep 21, 2020 4:00–5:00 PM

Zoom registration required

***“Structures of eukaryotic RNases
MRP/P RNPs reveal RNA-driven
protein remodeling”***

Andrey Krasilnikov

**Associate Professor of Biochemistry
and Molecular Biology
The Pennsylvania State University**

Keywords:

Ribozymes, RNase P, RNase MRP, ribonucleoprotein complexes, RNA-driven protein

rna.umich.edu

 **@umichrna**

RNA BIOMEDICINE
UNIVERSITY OF MICHIGAN
