RE: 2018 Washington County Clean Sweep Program

This year Washington County will host the Full Service **Clean Sweep Event in May** at a **Washington County's Slinger Highway Shop**. This is an opportunity for county residents to properly dispose and/or recycle Hazardous Waste, Electronics & TVs, Large Household Appliances, Pharmaceutical Medications, and Used Tires. We are asking if you could help us "get the word out" to the parents of your students about this beneficial program. Below are two ways you could help.

1. Provide a link to the program on your website: www.co.washington.wi.us/cleansweep
2. Include a small blurb about the program in your newsletter. The following is a suggestion:
