List Last Updated: 10/10/18

Senior Photo Requirements

- Senior pictures are **due November 1, 2018**. Photos not turned in by this deadline will result in a \$25.00 fine. Photos received after November 15, 2018 **WILL NOT** be published in the 2018-19 yearbook.
- To submit a Senior Photo, please follow this process:
 - Ensure that you are submitting a digital copy of your photo. **DO NOT** submit a screenshot of your senior picture from your photographer. The image must be at least 2x3 inches at 300dpi. Files should be .jpg or .tiff. If you cannot send a digital file, we can digitize your photo but this will reduce the quality of the original.
 - Name your file with your last name_your first name (Ex: Doe_John).
 - Upload your file to this link: <https://images.jostens.com/410583672>
- Senior pictures in the yearbook are small, so ideally the photo should show just the head and shoulders. We want to maximize your face size! Photos must be vertical color prints that meet the following requirements:
 - No pets
 - No hats
 - Simple background
 - School appropriate clothing
- Many local photographers have these deadlines and may be able to send the photo for you if you ask. Please understand that your photographer will need probably 6 weeks or more to get photos done. This means you should have your pictures taken by the middle of September to get them done with enough time to spare.
- We cannot accept prints from a Laser or inkjet home computer printer.

Any students who do not turn in senior pictures prior to the deadline will have their HUHS school picture published in the yearbook.
