

Picture Yourself *Here!*

Since 1968, our local University of Wisconsin two year campus has been an ideal first step for area students aspiring to earn a college degree. Since UWM at Washington County (formerly UW-WC) is a two-year college, it is a perfect university entry point because it allows students to remain in their community, pay lower tuition and attend smaller classes taught directly by professors instead of teaching assistants.

The Washington County Campus Foundation was founded in 1976 by forward thinking community leaders who understood the importance of a university education. By providing scholarships for new freshmen, returning sophomores and students transferring to a four year school, the Foundation assists UWM at Washington County students achieve their goal of earning a college degree.

Thanks to four decades of generous community support, the Washington County Campus Foundation has been able to award over \$3 million in scholarships during the last twenty-two years alone. This generosity has helped more than 1,700 deserving students launch their college careers. The Foundation is able to do this through donations from individuals who attend events, respond to direct mail appeal, and who generously create scholarships for a particular interest that they may have in higher education.

Students who begin their higher education journey at UWM at Washington County are welcomed and encouraged to apply for a scholarship at <http://wccf-wi.org/application/>. The scholarship application process **opens December 15 and closes February 17**. For more information please contact the Foundation office at 262-335-5204 or email terry@wccf-wi.org.

The Washington County Campus Foundation distributes scholarships from over 50 funds and makes over 75 awards each year. Scholarships are awarded to students based on their:

- achievement in school *or*
- financial need *or*
- interest in certain fields such as
 - education,
 - nursing,
 - theater,
 - science,
 - business *or*
- involvement in extracurricular activity *or*
- community involvement

The scholarship range is from \$300 each year to \$12,500 for students who attend UWM at Washington County and transfer to a four year school to finish their degree. The Foundation scholarships address a wide range of interests and needs. Please apply if you plan to attend UWM at Washington County.

Support UWM at Washington County students with a gift to the
