

Public Notice

Public Information Meeting for improvements to North Wacker Drive in the City of Hartford, Washington County

Proposed transportation improvements

The City of Hartford is proposing to replace the bridge carrying North Wacker Drive over the Rubicon River in the City of Hartford, Washington County. The project is located approximately 0.2 miles north of the junction with WIS 60.

The project consists of removal of the existing bridge and the construction of a new structure. The project is currently scheduled for construction in 2020. The roadway will be closed to through traffic during construction.

Please attend

All persons interested in the North Wacker Drive bridge replacement project are encouraged to attend a Public Information Meeting on Thursday, April 11, 2019. The meeting will be held from 5:00 p.m. to 7:00 p.m. at the City of Hartford City Hall, in Scherger Hall Community Room (Room 101), 109 North Main Street, Hartford, WI. There will be a brief presentation at 6:00 pm.

Information available

Representatives from the City of Hartford and Strand Associates, Inc. (the design consultant) will be on hand to discuss the proposed improvements. Project plans, location maps, and other exhibits will be on display to illustrate the work in detail.

Your involvement

We want your thoughts about the pros and cons of this project. If there are issues you would like to discuss, please attend the Public Information Meeting.

If you are not able to attend on April 11th, please call the project contacts listed below to share your comments.

If you are hearing impaired and require an interpreter at the meeting, you may request one by contacting David Walker at least three working days prior to the meeting via the Wisconsin Telecommunications Relay System (711).
