

***REST Training
In Winnemucca
Respite Education and Support Tools Training***

REST provides attendees with information and best practice guidelines for caring for those in need so that the full-time caregiver can have a reprieve. The course covers techniques and insight for assisting others with a variety of impairments from children to adolescents to aging adults.

**Sponsored by Nevada Aging and Disabilities Services Department at no fee. All materials provided plus breakfast, snacks, and lunch.
7 CE units available for \$15.**

**Humboldt General Hospital Sarah Winnemucca Room
118 E Haskell Street - Winnemucca**
