Automotive Technician Apprenticeship

The Royal Automotive Group has a wide array of Technician/Mechanic roles between our multiple Tucson locations. We strive for excellence in our company and in our craft. We are currently looking to expand our team and are seeking to hire two registered apprentices. We believe in promoting from within and growing employees over time and this apprenticeship provides that opportunity.

- Apprentice will be mentored by journey workers on-the-job.
- Apprentice must complete 144 hours of RTI (Related Training Instruction) a year (PCC AUT Courses).
- Length of apprenticeship will range from one to two years based on experience and completed AUT courses.
- Apprentice will be eligible for tuition reimbursement to cover tuition costs (after successfully completing 90 day probation period).
- The apprentice will receive an annual wage progression for the duration of the RA if minimum skills are met.
- Upon completion, the apprentice will earn a PCC Automotive Mechanic Certificate, National Occupational Credential and a National Journey Worker Card for Automotive Technician.

This is a registered apprenticeship opportunity offered through the Pima Community College Employer Engagement and Career Services/Apprenticeship Office.

We encourage those who have an interest in utilizing and improving their skills in the automotive industry to apply. Royal Automotive Group is looking to invest in those with strong ethics and integrity who can work effectively as a team member utilizing excellent communication and customer service skills.
