"Celebrating Christ and Loving All People"

FROM THE PASTOR:

Welcome April! What a strange and long winter we have had. Easter is still 3 weeks away and snow is forecasted for tonight.

Hyacinths and tulips are

coming up in my flowerbeds and the grass is greener than it was yesterday.

Spring is my favorite time of year! I love the

newness of life and the stark blue of the sky. Birds sweetly singing in the morning make me smile and longer moments of daylight help take Pancake on just one more walk. In Spring God is doing a new thing.

We sing the hymn, "In the Bulb" over and over and proclaim that what is to come is "something God alone can see." Life is like that, isn't it? We can plan,

get ready, do what we need to do and more yet our plans don't always work out. Only God can see. Easter is coming and what a celebration it will

be! We have met Jesus again through our Lenten Suppers and Studies and now the post resurrection Jesus who is

Spirit and life is among us even still. What we will do with such a revelation - only God can see.

Although our celebration of the Resurrection will be awesome and gathering of family and friends will be great too - our living into the life that comes with new life will be greater still.

Think about what new life means to you. Share it with someone. May the peace of God be yours this month as we live into a time only God can see!

Peace, Pastor

St. John UCC is collecting needed items for HeadsUp. Please see the below lists for items that you can bring in on Sunday morning.

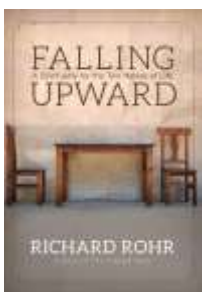

HeadsUp is a forward-thinking organization that actively supports Transitional Age Youth who have experienced the challenges of the child welfare system. .

We have lots of common businesses in stock or have the ability to order.
 Any questions? Please ask!
 Come see us at church or via call/text - Jeanne Senner (920-213-0748) or Linda De Bruin (920-359-0010).
 We hope that you will see how easy SCRIP is to use!

We will not meet in March or April. We will meet again on **Wednesday, May 14th**. We meet at 10:00 a.m. at Mary's Family Restaurant in Appleton. All are welcome! Please join us.

Fr. Richard Rohr has written a wonderful book on aging. FALLING UPWARD has been suggested as a possible time for exploration and

sharing on the topic of aging. These sessions will be in-person and offered on a day and time that most can participate. Let me know if you are interested and we will get this group going.

There is a need in our community for food donations. Just a reminder that we are continuing to gather food donations for the St. Joseph Food Program on Sunday mornings. Your donations make a difference! Thank you!

SHINING THE LIGHT ON FOOD SECURITY.

Orfelina works with families in the northern regions of Honduras to help them understand how to transform their families and communities through agriculture. The list of things she does is mindboggling: Checking on local farmers' harvest. Monitoring water projects. Teaching the women in the community how to prepare more nutritious meals for their families. Chatting up community leaders for support. Running workshops for things like creating organic fertilizers and sprays. But Orfelina doesn't just work with farmers and their families, she supports and encourages them. Visiting them in their homes. Bringing God's light to everyone she meets. And all of this is made possible through your giving to One Great Hour of Sharing. Because of your giving, projects like these and thousands more around the world are changing lives. Transforming communities. And spreading God's light. Be the Light. Give to One Great Hour of Sharing.

STORAGE UNIT

SORTING AS OF 3/29/2025

ST. JOHN UNITED CHURCH OF CHRIST

It has been going on 3 years (Oct 2022) since we put items of treasure in our storage unit at Storage Sense.

Looking ahead to our future, considering what we have pulled from the storage unit to complete our worship services, and evaluating the relaxed comfort, we have at services we hold at the Tauber Center, the Council discussed going through the items in storage and determine what we need to keep.

We have had two teams of members sort through the items we have in storage. This process is ongoing until we have eliminated items no longer needed.

Outdated items are: Computer towers, and monitors that are outdated. Monitors have been taken to recycling.

Towers and one stand alone computer will be taken to recycling.

PLEASE DIRECT QUESTIONS TO COUNCIL MEMBERS
