This meeting is being held to present the proposed design to construct a new rowing and paddling facility along Harness Creek in Quiet Waters Park. Construction schedules are not available at this time as this project is only in design phase. When construction begins, areas of work will be temporarily closed to ensure public safety.

DPW officials and Recreation and Parks representatives will present information on the proposed design and will also answer questions from those in attendance. You may submit questions in advance to Melissa Harlinski via email at pwharl45@aacounty.org by January 29, 2021. Please note this meeting will be audio and video recorded.
