

**Did you
know?**

PowerCore® Enlist® Refuge Advanced® Corn is a Single-Bag Solution

- Integrated refuge flexibility, advanced above-ground pest control, four herbicide tolerances and industry-leading genetics in a single bag
- Does not require a separate, structured refuge in the Corn Region
- Will be available for planting in 2024

The PowerCore® Enlist® Refuged Advanced® trait will not be offered for sale or distribution until completion of field testing and applicable regulatory reviews.
