

A CLOSER LOOK AT CORTEVA AGRISCIENCE

Enriching Lives of Those Who Produce and Those Who Consume

Corteva Agriscience is a U.S.-based global agriculture company. We provide farmers with a diverse mix of seed, crop protection and digital products and services to help them maximize their yields and improve their profitability. We're working with stakeholders throughout the food system to fulfill our promise of enriching the lives of those who produce and those who consume, ensuring progress for generations to come. The company is headquartered in Indianapolis, Indiana, and has a global business center in Johnston, Iowa.
