Bread of life, cup of love

Your life given up  
Standing before You

Your holy presence  
In this mystery

Here at this banquet  
Welcome the lost  
Shepherd the lonely  
The sheep of the flock  
Break bread together  
Strangers and friends  
In this communion

Of love without end

##### Verse:

You gave your life blood  
Out-stretched your hands  
So great a love  
We cannot understand  
For at this table  
The first shall be last  
We are made whole  
By the blood of the lamb

**(Refrain Repeated)**

#### Closing Song

##### How Can I keep from Singing

Endless Song

##### Verse 1:

My life flows on in endless song  
Above earth's lamentation  
I hear the real though far off hymn  
That hails a new creation

##### Refrain:

No storm can shake  
My inmost calm  
While to that rock I'm clinging  
Since Love is Lord  
Of heaven and earth  
How can I keep from singing

##### Verse 2:

Through all the tumult and the strife  
I hear that music ringing  
It sounds and echoes in my soul  
How can I keep from singing

##### Refrain:

No storm can shake  
My inmost calm  
While to that rock I'm clinging  
Since Love is Lord  
Of heaven and earth  
How can I keep from singing
