

Dear Fellow St. Stephen's and CTK Parishioners,

Our Religious Education program for the 2019-2020 school year is over, so now we're investigating how to get ready for another program for the next school year. Thank you for your support and prayers over the past year, and please continue to prayer for our Religious Education team as we prepare for the year ahead.

In the meantime, I'm excited to offer our community a study course on the video series, **The Search, starting on June 16**. The Search is a new series produced by the Augustine Institute for its' FORMED website. Our community has been given permission to show this on an "early release" basis, and I'm expecting that you will be as impressed by this series as I am.

The Search is a great tool for our personal evangelization. Even folks with years of study leave every episode of this series saying, "Wow, I didn't know that," or "Gee, I hadn't thought about that in years." It gently nudges us to look deeply into the "why" behind the "what" of our faith. The scenery is breathtaking, and one never knows what kind of surprise lies around the next corner.

Having previewed the entire series, I'm overjoyed to walk with you, as a community, through every episode. Every time I watch each episode, I learn something new or a new perspective dawns on me. This is powerful stuff, something that I predict you will thoroughly enjoy!

So, **look for the Sign Up Genius and sign up today**. If you have a computer with sound and an email address, we can get connected for this special series. I look forward to us experiencing The Search together!

Deacon John
