

## Allison Nugent

Hello, my name is Allison Nugent and my husband Tim is my sponsor for RCIA. We recently moved to California and welcomed our first son in November. One of the main reasons I wanted to convert to Catholicism now is my son.

Faith has always been an important part of my life and it means a lot to me that our family can share our faith, learn, and worship together. Additionally, I am so pleased to be joining the Catholic Church family and to have the love and support of the Church in our lives. I have really enjoyed going through RCIA; learning about and discussing Catholicism with my husband and family. We are looking forward to meeting more people in the church as things return to normal.
