

Salesian College Preparatory is a private, independent, Catholic, co-educational high school. Our 21-acre property spans two East Bay cities of Richmond and San Pablo. Salesian has strong academics (21 honors/advanced placement offerings), athletics and a diverse faith-based community dedicated to developing students who are spiritual, culturally competent, physically fit, loving and committed to social justice.

Please join us for an **Information Night at Christ the King Church in Pleasant Hill on Tuesday, November 9th at 7pm** to learn more about our key programs, college prep curriculum and co-curricular offerings.

We change lives at Salesian. Using the teachings and oratory model of St. John Bosco combining *School, Home, Playground, and Church*, we connect with our students and celebrate graduation rates of 99+% and send our graduates on to 2 and 4- year colleges and universities in record numbers given our demographics. Salesian graduates can be found in virtually all of our UCs, CSUs, and many prestigious colleges (two currently at Stanford).

To be Salesian is to live Salesian and to teach young people creatively.

We offer van transportation from central Contra Costa to our campus. We offer academic, merit-based scholarship grants (based on the High School Placement Test). We offer *Project Lead the Way* curriculum designed to grab students' attention and interest in the biomedical sciences. Salesian created our "*Beyond Salesian*" college mentoring program for our recent graduates who are first generation college students. Please join us to learn more about our success at Salesian.

It is with great PRIDE that we share the video below showcasing the spirit of Salesian and our mission – the students we serve.
