

Dear Parents of CTK Students,

Our CTK Religious Education program for 2020-21 is about to start! If you haven't done so yet, you can still register your children in our program. Unlike subjects that may be challenging to teach, sharing your lived faith experience should come naturally and will help your child to grow in their relationship with God. While we will meet with your children every week via ZOOM, your active involvement will make the faith come alive for them.

May God bless you, keeping you and all of your loved ones safe and healthy. You are in our prayers as we continue our faith journey together. If you haven't registered your children yet, please click on the appropriate link below and complete the process now.

**Deacon John Ashmore
Director of Faith Formation
Christ the King Church
195-A Brandon Rd.
Pleasant Hill, CA 94523**

P.S. If you are interested in teaching, we still need catechists for some grades. The rewards of teaching our children are amazing. Training will be provided, so give us a call if you want an avocation to love!
