

## Helpful Hearts Winter Assistance Program Winter Break 2019

This is a parent led initiative as an offshoot of the PSO Care and Concern Committee.

**All information provided to the Assistance program will be kept confidential and will only be shared with the necessary individuals in order to meet the need.**

Is your family in need of assistance this winter?  Have you already applied for SNAP?

Let us help you.

We have a limited amount of resources, but a local benefactor has offered us some assistance in the form of boxes of dried goods to handout over the Winter Break. We are also hoping to be able to help with a holiday meal and presents for the children in your family. This is all pending involvement from our parent community, but we will do our best to help you over this Winter Break. Someone will be contacting you to find out more specific information to see if your family qualifies.
