

NOW STOCKING MAN 5 & MAN 9 STEEL ENTRY DOORS AT OUR ST. CLOUD LOCATION!

Manion's Wholesale in St. Cloud is now stocking the MAN 5 and MAN 9 pre-hung steel entry doors.

These doors are available in both 4-9/16" and 6-9/16" jamb options, making them a strong in-stock solution for a wide range of residential applications. Whether you're looking for a dependable replacement door or a practical option for new construction, these styles offer the convenience of ready-to-go availability with solid everyday performance.

Each unit features:

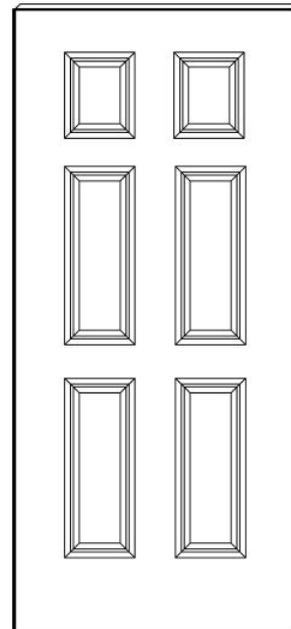

- Primed jamb
- Single-bore, inswing configuration
- Pre-hung
- 24-gauge primed steel door
- 5-year warranty
- Q-Lon weather stripping
- Zinc hinges
- 2-3/4" backset
- Composite adjustable sill

Designed with durability and installation efficiency in mind, these doors combine reliable construction with the practical features builders and lumberyards expect. The primed finish also provides a clean, versatile starting point for a variety of project needs.

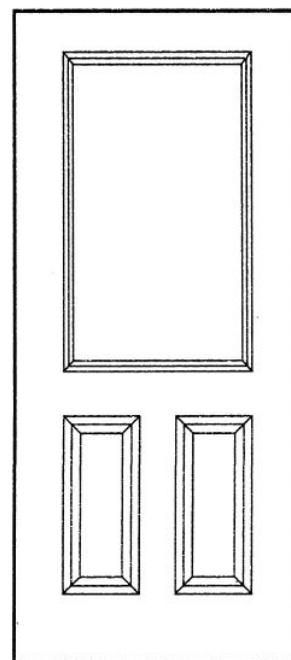

These new stocking options are a great choice for customers looking for dependable, ready-to-go steel entry door solutions with quality standard features.
