Read-A-Thon Overview:

- Dates to complete reading goals: November 19th - December 7th
- ALL monies must be collected and turned into Evans' front office by December 7th.
- 2 ways to donate: one flat donation OR per page pledge.
- Our campus goal is to collect \$10,000 to go right back into our school and our students and staff. Since we are running this fundraiser ourselves (no outside company source), we are collecting 100% of the donations. This is HUGE!! We appreciate the help and support!
- Prizes will be announced on December 9th.
 - If we are halfway to our goal as a campus by December 3rd, all students will earn a PJ day.
 - Student who collects the most donations = Principal for a Day AND earns 5 free "Eat outside with friends of choice" passes AND gets to help pick out the front bench for our campus garden.
 - Student who reads the most pages = Librarian for a Day AND earns 5 free "Eat outside with friends of choice" passes.
 - Panther Time Class that earns the most donations = I will buy them pizza and they can eat outside on our picnic tables.
