The Honorable _____

Office Address

Dear ,

I support the **5-billion-dollar** investment in Universal Child Care. **The time is now!** New York needs you to vote in support of **#qualitychildcare**.

Early childhood and school aged educators go through rigorous training and professional development. They nurture and care for our children while we go to work and school. Child care providers keep our economy moving forward. Did you know that the child care “system” has been propped up by a **workforce that makes less than 98% of all occupations?**

At the same time, child care is often the biggest bill a family faces. It is more than housing costs and more than a SUNY/CUNY tuition. **Families struggle to afford the true cost of child care**, often having to choose between work and staying home with children. The cost of this dilemma is catastrophic for children, families and our economy.

We must do better.

#fundchildcare #nysuniversalchildcare
