

Christ Church 2026 Pledge Certificate

Welcome to this year's Stewardship Campaign, **Tell Out My Soul**. We invite you to join this journey of investing in the Christ Church community and beyond. Your contributions – financial & otherwise – make us an important part of the broader community in New Brunswick and beyond.

Please consider pledging to help fund the mission and ministries of Christ Church for 2026. If you have given in the past, **thank you**. We hope you continue to do so. If you were unable to pledge in 2025, we hope for your prayerful consideration in supporting Christ Church in any way you can. Together we can accomplish so much and rely on that teamwork.

Please also know that in the event of a financial hardship in 2026, parishioners may confidentially adjust this pledge by contacting the wardens or the Treasurer.
