PORTICO PROJECT CONSTRUCTION began on Monday, January 6 and will continue through March 4. These restrooms can be easily accessed from Columbia Street. In addition, there is a wheelchair accessible restroom on the south side of the west vestibule. This small restroom is reserved for families and those with mobility issues. Lastly, portable restrooms will be available at the Terry Avenue entrance to the Cathedral Courtyard (near the fenced area around the dumpster). Thank you for your patience during construction!

ST VINCENT DE PAUL THANKS YOU This older woman has been struggling since her husband passed away. She finally moved into housing after a year spent sleeping in her car. They had lived comfortably before his death and she is thrilled to be housed again. Since moving to her new apartment, she has been sleeping on an uncarpeted floor. She called the SVdP Helpline (206-767-6449 or apply online https://svdpseattle.org/get-help/online-help-request-form/) for assistance with a bed as well as a portion of her rent after paying the deposit. She sends her sincere thanks to St James Parishioners for their help. *Information*, Blake Steller 907-244-6683 or blsteller@gmail.com.

ST. JAMES IMMIGRANT ASSISTANCE (SJIA) – SERVICES BEYOND OUR OFFICE WALLS SJIA serves lawful permanent residents who need additional support as they take the necessary steps to successfully apply for U.S. citizenship. We work to meet clients where they are, both figuratively and literally. SJIA actively fosters relationships with other local agencies and social services that support immigrant communities. In this way, we are able to connect with and serve vulnerable clients who require additional assistance in applying to become U.S. citizens. Many of our clients face significant health issues and resource challenges that make accessing the citizenship application process very difficult, and for some of our clients, hinders their ability to come to our offices. To meet this need, SJIA works, on a case-by-case basis, to extend our services and go out into the community to meet with clients in need of individualized assistance in accessing and navigating the process of becoming a U.S. citizen. If you or someone you know is interested in becoming a U.S. citizen, we can help. For more information, contact Patrick Suhrbier psuhrbier@stjames-cathedral.org or Laura Murton lmurton@stjames-cathedral.org, 206-382-4511.

MONTHLY FOOT CARE CLINIC Seattle and King County Public Health are offering free monthly foot clinics and blood pressure checks, last Wednesday of every month, 1-4pm, held at Pastoral Outreach Center, 907 Columbia St. Next session: January 29. No registration required.

SEASON OF SERVICE To honor the history of the local Church, while embracing our Catholic Social teachings, the Archdiocese of Seattle will host a "Season of Service." From March 1 to May 31, 2025, local Catholics, parishes, schools, ministries and families are invited to participate in service with the goal of reaching 175,000 collective hours of service across Western Washington. More information to come to learn how you can participate through St. James Cathedral.

CATHEDRAL BOOK CLUB

The Road to Wisdom

Tuesday, January 21, 2025

7:00 pm | Holy Names Room

Pastoral Outreach Center (907 Columbia St.)

In January, our book club title is *The Road To Wisdom: On Truth, Science, Faith, and Trust* by Francis S. Collins, "a deeply thoughtful guidebook to get us beyond societal divisions and back to the sources of wisdom."

Collins, a physician and geneticist, is also the author of *The Language of God*, former director of the International Human Genome Project, and former director of the National Institutes of Health.

Copies are available wherever you get your books!

Thoughtful, accessible, winsome, and deeply wise. A moral, philosophical, and scientific framework with which to address the problems of our time – distrust of public health, partisanship, racism, climate change, and threats to our democracy...and also guide us in our daily lives.

"important and timely...listening, understanding, and tolerance are the essential threads that weave their way throughout The Road To Wisdom. A book to learn from."—Kay Renfield Jamison

"An inspirational and unflinching look at Francis Collins' life as a research scientist, a man of faith, and a servant-leader."—Yo-Yo Ma

"Amid the shrillness of our era, Dr. Collins offers a calming voice of hope as well as practical suggestions on how to heal the nation's wounds."—Philip Yancey

There is no registration requirement, but please contact Joyce Mork-O'Brien at jamob14@comcast.net if you plan to attend so that we can be sure to accommodate everyone.
