

ST. JAMES ECOLOGY FAIR

Caring for the Future of Our Common Home

Sunday, May 18, 2025 after the 8am, 10am and 12 Noon Masses

Cathedral Hall, 912 Columbia Street, Seattle

In *Laudato Si'*, promulgated 10 years ago this spring, Pope Francis calls for every person on the planet to show mercy to the Earth, our common home. Our annual Fair is an opportunity to *become better informed and take action* to protect and nurture our environment. Hospitality will be provided after each Mass. Come to the Fair to:

- Learn how certain environmental changes adversely impact those already living on the margins of society (e.g., health, housing, ability to make a living),
- Take action to protect the environment by gathering information presented at the Fair.

St. Francis of Assisi “was particularly concerned for God’s creation and for the poor and outcast. ... He shows us just how inseparable the bond is between concern for nature, justice for the poor, commitment to society, and interior peace.”
- from Paragraph 10 of *Laudato Si'*
