

Camp

A PLACE TO COLLABORATIVELY EXPLORE, CREATE,
AND PROBLEM SOLVE OVER BREAK

Activities

Specific activities will vary, but emphasis will be on design thinking and creative problem solving. In general, you can expect students to apply skills learned in Innovation throughout the school year, but with more creative liberty.

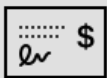

All current 1-4 students are eligible to join us. There are 20 available slots per session. Students may sign up for one, two, or even all three weeks!

20 students

3 sessions

Camp will be held Mon-Fri from 12-3pm on the week(s) of your choosing (June 1-5, June 8-12, and/or June 15-19).

Please note that our sessions coordinate with Art Club sessions. Students attending Art Club are welcome to bring a packed lunch and head right to Innovation Camp.

To save your seat, checks payable to SJE are due in the Lower School office by May 18.

\$200/student/week
