

Car Line Information

In an effort to move the carline as quickly as possible, we ask that you please adhere to the established routes:

Primary:

Drop-off and pick-up take place in the driveway directly in front of the Primary School entrance. Please do not block the driveway at any time. Please do not stop or park in any red curb area or block any driveway while waiting in line. Cars should approach the School driveway on Rome Avenue from the south (Bayshore Boulevard). U-turns in front of the Primary campus are not allowed. Also, there should be no left turns from the Primary School driveway. Parents should wait their turn, one car at a time, directly in front of the School's entrance. Arriving children should be ready to exit the vehicle immediately, from the passenger door only. Departing children should enter the car on the passenger side as well. Parents who are walking should approach the School only from the Watrous Avenue side and accompany walking children from home to the main entrance door.

Lower:

All Lower School drop-off and pick-up traffic should approach Orleans Avenue from Watrous Avenue. Parents driving to school on Bayshore should turn onto Rome or Howard, and then approach the School via Watrous Avenue. If our parents are delinquent in this matter, the city will force the School to hire policemen and to absorb all associated expenses. Children should not be dropped off or picked up from cars in the middle or left lane. Please have children ready to exit/enter car immediately on the passenger side of car. Please do not have book bags or other school items in the trunk. Please do not park or stand within 10 feet of a driveway. Please do not park in the School pick-up lane (red curb) during school days, or in a designated 5-minute zone. If you need to walk into the School, please do not park along the School side of Orleans. Parents and children should use the crosswalk when should physically guide your child across the street.

Middle:

To enter the Middle School's carline, drive down Platt Avenue and turn left onto Parker Street (the street between Zudar's and Publix), left turn onto the brick alley (behind Zudar's) and follow the alley into the front parking lot. Please, do not cut across Four Green Field's parking to join carline. Parents who prefer to walk up to pick up their child should turn left at the Plant-Platt intersection, and then immediately turn right onto Cardy St. to park alongside the School's gym and back parking. Morning drop-off starts at 7:30 a.m. and ends at 7:50 a.m. Afternoon dismissal starts at 3:05 p.m. and ends at 3:30 p.m.

In an effort to keep our Hyde Park neighbors happy, we ask that you keep driveways clear during drop-off and pick-up. **Please do not park in the Four Green Fields parking lot at any time.**
