

Easy Wood Tools® Spotlight Customer of the Month Submission

It's Your Time to Shine!

Would you like the opportunity to be featured as an Easy Wood Tools® Spotlight Customer of the month? We believe personal experience and story sharing is a great way for people to connect and obtain new information. Each month we will select a customer to be featured in our "Spotlight" across our social media channels, email newsletter, and our website with a small article sharing their story and experience with woodturning. If you would like the opportunity to be selected, please complete this questionnaire and return it via email to customerservice@easywoodtools.com. Feel free to also include pictures of you and/or some of the work you have created. We look forward to hearing from you!
