

5/9/2019

Easy Wood Tools is proud to announce the introduction of the Easy Wire Burning Kit. Once again Easy Wood Tools has listened and responded to the needs and challenges of woodturners everywhere. The Easy Wire Burning Kit was developed in collaboration with Carl Jacobson. Together with Carl we have developed the most user friendly wire burner on the market today.

The Easy Wire Burning Kit will be available soon at a retailer near you and also on our website:
