

Holiday Lights Tour, Light up Harmon Park November 27

This year, in lieu of a parade, the Williston Area Chamber of Commerce will be organizing the first annual Holiday Lights Tour. We invite all local businesses and organizations to decorate outside their offices, shops, restaurants or parking lots. Or even park your regular parade float in front of your business! On November 27th, from 6:00pm-8:00pm we invite the public to load up with their families, grab some hot cocoa at one of our great local coffee shops or kiosks, and take a drive around town to see the lights decorates and displays!

The following day, November 28th, is Small Business Saturday and we encourage you safely shop local and visit our small and locally owned businesses to kick off the Holiday Shopping Season.

Everyone in the community will be able to access a map of participating businesses, courtesy of Williams County! Voting for best decorated business will be at willistonchamber.com through November 28th, but we are excited for businesses to leave their lights and displays up throughout the Holiday Season!

Lights at Harmon Park will be turned on at 6:00pm at November 27th!

Sign up to showcase your business's holiday light display as a part of our Lights Tour. Community Members will have the opportunity to vote for their favorite decorations and displays! Thank you for being a part of spreading Holiday Cheer all through Williston!
