Re: College for Seniors

Press Release

Bethel Lutheran Foundation's 25th annual College for Seniors will be held September 11-13th.

This year's theme is "Life's a Journey. Enjoy the Ride". The College will include three days of education, entertainment and exercise. This is our 25th year of bringing together interesting speakers, providing good food, a little exercise and a lot of social interaction. Lisa Patton and Tamara Rooks will be speaking on behalf of the Mondak Animal Rescue. Laurel Forsberg will educate the class on Planning your Will. Tom Schrader, KX Weather Man, will speak on Wednesday. City officials will provide a Williston Update on Friday morning. Musical entertainment will be provided by Meadowlark - Richard Halvorson and Signe Verhasselt.

If you are wondering what to do with your free time, come and join us. Each day will begin with a continental breakfast at 9:30 am followed by an Ecumenical Chapel at 10:00 am. A noon meal will be served and class will dismiss at 2 pm. A variety of speakers will be featured each day.

We welcome you to come participate in this year's College and meet new friends. Please call the Bethel Foundation office at 572-0223 to register.
