

## **Equinor Donates over \$22K to First Responders in McKenzie, Mountrail and Williams Counties**

JUNE 14, 2019 (WILLISTON, NORTH DAKOTA) -- Equinor, an international energy company, is donating over \$22K to emergency management services in the McKenzie, Mountrail and Williams counties in North Dakota. The donated funds will help first responders meet and enhance the individual needs in each county to protect and support those communities.

Equinor will be formally presenting checks to the McKenzie, Mountrail and Williams county emergency management on June 14, 2019 at 10:30 a.m. at Equinor's office, 14649 Brigham Dr, Williston, North Dakota. Media are invited and photography will be allowed.
