

The City of Williston Landfill will be open to the public, free of charge, on Saturday, June 20, 2020. Hours will be from 8:00 AM to 2:00 PM. Our staff will direct the traffic and get the public in and out of the Landfill as quickly and safely. Please be mindful of the staff and practice social distancing.

**Restrictions include, limit of 4 tires per load, no lead acid batteries, no liquids and no waste oil. No commercial, industrial or contractor businesses will be allowed free disposal, normal rates will apply.**

**The City of Williston Public Works Department would like to remind all residents that the City's Tarp Ordinance No. 626 requires anyone hauling to the landfill, to utilize an enclosed or tarped vehicle to haul their refuse. Violation of this ordinance can result in a \$25 fee. The purpose of the ordinance is to reduce the amount of refuse blowing out of the vehicle onto the roadside.**

We also encourage everyone interested in cleaning Williston, to go out on Free Landfill day and pick up garbage. The City of Williston will have a garbage truck out on June 20, 2020, to pick up any bags that were filled by individuals out cleaning. Bags can be left by curb for pickup. If you need garbage bags, to arrange a pick up or are looking for an area to clean, please contact Patty Fiorenza at Public Works (701-577-6368).

**Thank you for keeping Williston clean!**
