

## **ADMINISTRATIVE PROFESSIONALS DAY & COLLEAGUE APPRECIATION DAY**

### **Annual Rose Day & Monster Cookie Sale**

Administrative Professionals Day is April 24, 2019. Rotary Club of Williston invites you to recognize the vital role Administrative Professionals play in your organization with a dozen beautiful roses or a dozen amazingly delicious, locally made monster cookies.

In addition to the efforts of Administrative Professionals, our region's tremendous growth and success has been thanks to the contributions of many - colleagues, co-workers, and other individuals, each doing their part and more building up our community, businesses, and services. Your doctor's staff, the cleaning crew, the print shop, the dispatch team, the kid's coach, the HR team, your office mate, the crew working outside, a long-term customer - make their day with a special gift expressing your appreciation and thanks.

Known as Rose Day, this is an annual fund-raising event sponsored by Williston Rotary. Your participation not only provides an opportunity to recognize Administrative Professionals and co-workers, the proceeds go to supporting many local initiatives.

#### **Where the Proceeds Go**

Fundraising proceeds go towards local projects such as:

- the Rotary Dictionary project, an effort where each year every 3<sup>rd</sup> grader in Williston and the surrounding area receives his/her own dictionary;
- Community building projects such as the Davidson Park pavilion shelter, completed in 2018 in partnership with the Lions Clubs of Williston;
- Scholarships to area high school students;
- Sponsorship to RYLA, a Rotary leadership summer camp for high school students;
- Banquet West, Boy Scouts, the Salvation Army, and other local organizations

#### **Play an Even Larger Role: Sponsorship Opportunities**

With a sponsorship and/or Rose and Monster Cookie orders, we invite you to participate with Rotary in recognizing Administrative Professionals and Colleagues and contributing to local charities and programs. More information is on the attached order form.
