### 5<sup>th</sup> Annual Charity Ball

**Who:** CHI St. Alexius Health Williston Foundation

**What:** 2018 Charity Ball

**When:** September 8, 2018 from 5-11p.m.

**Where:** The Well at Williston State College      1410 University Ave, Williston, ND 58801

**Why:** The Foundation's Charity Ball has been an instrumental source of funding for CHI St. Alexius Health Williston. Through generous support from numerous businesses, organizations, and individuals in the community, the Foundation has been able to purchase much needed equipment to care for our patients in departments throughout the hospital and its clinics. This year, proceeds will go to update lab equipment and upgrade to digital radiography. Both these upgrades will have significant benefits to numerous patients in a variety of departments.

We have a spectacular evening planned for an even greater cause! Doors open at 5pm. Live Circus Entertainment, Dinner and Dessert, Live and Silent Auctions as well as dancing and Live Music provided by the band Judd Hoos. Special thanks to some of our sponsors: American State Bank & Trust, City of Williston, Drs. Ryan and Theresa Hegge, JE Dunn Construction, KLE Construction, ONEOK, Patriot Well Solutions, Triangle Electric and many table sponsors.

Community members are invited to get their tickets now to attend! They can be purchased online at <https://www.chistalexiushealth.org/williston-foundation/charity-ball> or by calling 701.774.7466.

#### About

CHI St. Alexius Health Williston is a 25-bed critical access hospital located in Williston, North Dakota. It was founded in 1920 by the Sisters of Mercy to provide quality health care to the growing population of the region. Today, we provide a full range of clinic and hospital services including: Primary Care, Women's Health, Pediatrics, Orthopedics, Urology, Plastic Surgery, General Surgery and ENT. In addition, the Leonard P. Nelson Cancer Center, featuring state-of-the-art radiation and chemotherapy treatment, along with the Pain Clinic, Dialysis and Sleep Lab programs serve patients from a large area of North Dakota and Montana.

CHI St. Alexius Health Williston Medical Center Credentials and Recognitions:

- Named a Health Strong Top 100 Critical Access Hospital in 2013
- Blue Distinction® Center+ for Maternity Care
- Designated a "Stroke Ready" hospital and Level IV Trauma Center by the State of North Dakota
