

Williston API Announces Achievement Award Finalists

November 15, 2021, Williston, ND - Williston Basin Chapter of the American Petroleum Institute (Williston API) announces finalists for the ninth annual Williston API Achievement Awards.

Williston API Achievement Awards

The Williston API Achievement Awards celebrate the many positive contributions and accomplishments of the oil and gas industry throughout the Williston Basin. The five awards to be presented include Industry Innovation, Community Service, Outstanding Achievement – Individual, Outstanding Achievement – Group, and Lifetime Achievement. Winners will be presented with their award during the eighth Annual Williston Petroleum Banquet.

Industry Innovation Award

The Industry Innovation Award recognizes significant achievement for advancements in technology, systems, processes and the application thereof in the oil and gas industry in the Williston Basin.

Finalists are:

- Crusoe Energy
- Creedence Energy
- NewKota

Community Service Award

The Community Service Award seeks to recognize individuals and organizations for their commitment to their community and contributions to community service. Nominee's contributions of time and resources bolster community pride, enable local non-profits to meet their missions, strengthen our community boards of directors, and help solve community challenges.

Finalists are:

- Busy Bees
- Whiting Petroleum
- Industrial Equipment Sales and Service

Outstanding Achievement

The Outstanding Achievement Award identifies individuals and organizations deserving of recognition for an activity or accomplishment that can be described as an outstanding achievement in the Williston Basin. It may include an individual or company that has made a significant impact over a long period of time or it may include a single event that fundamentally changes the way something is done.

Group finalists are:

- UND Petroleum Engineering Program
- Red Trail Energy
- Enerplus

Individual finalists are:

- Brock Clingman
- Jason Baker
- Jeff Holte

Williston Petroleum Banquet

The Williston Petroleum Banquet celebrates the energy industry in the Williston Basin and all of the positive accomplishments. Industry participants and community leaders will gather to enjoy fine dining, networking and entertainment. The evening will include a program featuring award presentations and a special keynote address by Chris Wright, CEO of Liberty Oilfield Services. The Dress is formal, so break out your best dress and suit and come spend the night with us with our Hollywood Themed Event!!
