CALL FOR ARTISTS

Artists Needed to Wrap Williston Traffic Signal Cabinets in Original Art & Photography

You are invited to submit artwork for a city beautification project!

Clean Slate Group will turn winning designs into vibrant and graffiti-resistant vinyl wraps. These wraps will transform traffic signal cabinets from **2nd St. W. to 26th St. W.** into functional art. This is an opportunity to introduce more community art & see your original work displayed publicly.

All artwork must correspond with the theme of **"Visions of the Region."** Be creative!

This is a Leadership Williston project funded by a Community Enhancement Grant from the City of Williston.

SUBMISSION GUIDELINES

Designs must correspond to the theme, "Visions of the Region."
Artists must be 16 years or older & live within a 50-mile radius of Williston.
Only original artwork is accepted & artists may submit multiple proposals.
Designs do not have to be new - old artwork is accepted!
Proposals may be any form of 2D art, including photography.
Colorful, active designs will receive higher consideration & if the design is to include text, it must be incorporated.
In order to prevent vandalism, it is recommended to avoid large open areas.
Designs *must not*:

- Been sold or reproduced in any way.
- Be offensive or contain representation of traffic signals or signs.
- Include any breach of intellectual property, trademarks, brands, images of illegal activity, or involve attaching objects to the cabinets.
- Advertise or promote business, product, or viewpoint.
