Harvest Festival Postponed

The Williston Area Chamber of Commerce will postpone the Harvest Festival due to COVID-19 exposure resulting in staffing challenges to host a successful event. This decision has been made out of an abundance of caution for staff members, volunteers, and event attendees.

The event scheduled for Saturday October 9 will be postponed to early November, with more details forthcoming.

"The health and safety of staff and community is our number one priority," said WACC President, Rachel Richter Lordemann. "We appreciate your understanding of this difficult decision, and hope to see you at the Harvest Festival in November."
