

## **NEW MATTRESS STORE OPENS IN WILLISTON**

Long time Williston resident and business owner (Safetcore) Frank Gonzalez opens his second business, Mattresscore. Located at 1119 4th Street E in Williston, Mattresscore focuses on customer convenience by allowing clients to make appointments to come visit the store when it best fits their schedule.

Mattresscore also understands that having a home that provides security, as well as comfort, is more important than ever. Providing a selection of budget-friendly mattresses and bedding, Mattresscore delivers locally as well as nationwide.

Says Mr. Gonzalez, "Good sleep is so important in relieving stress and leading a healthier life. So many people are denying themselves this simple option because they don't have the time to shop for a mattress or can't afford one. I want to be part of the solution to this problem."
