

Panel of Professionals

Careers in Construction Trades

Friday, February 14th

Share information about your profession
with WHS!

Construction Careers Panel!

- Where/When: **WHS Theater Friday, Feb. 14**
- Time: **1:45-3:15 pm** (set-up from 1:00-1:45 pm)
- What: Teach students interested in construction careers about your trade
 - Description of Job
 - Skills required
 - Education/Training/Certificates required
 - What can they do now to prepare for careers in construction?
- How: Each professional will **present information for approximately 5 minutes**, once all have presented, open format to fill in any information, Q&A session to wrap up
- Limit of 100 students
- Miscellaneous: Each presenter will have a slide projected that can include pictures of the trade, salary, education/training, skills needed...anything interesting for students
 - if you wish, send information to Haley Jeannotte and she can create one for you, if nothing is submitted, she will create a slide with your company logo 😊
- Enjoy sharing your career with interested students!
