**Summer construction updates**

WILLISTON, N.D. – The following are updates regarding ongoing summer construction projects throughout the City of Williston.

**18<sup>th</sup> Street Water Main**

Currently, the intersection of 18<sup>th</sup> Street and University remains closed for water main replacement work conducted by Wagner Construction.

Saturday morning's storms delayed pipe replacement, but the work is anticipated to be complete and the intersection reopened by the morning of Wednesday, July 29.

Knife River will complete ADA compliant ramp work and begin patching the water main trenches later this week.

**16<sup>th</sup> Avenue West**

The intersection of 16<sup>th</sup> Avenue West and 26<sup>th</sup> Street is closed.

At this time, BEK Consulting has completed the water and sewer extension from 26<sup>th</sup> Street into the Sloulin Field Redevelopment Area and extension of the 16<sup>th</sup> Avenue box culvert storm sewer is scheduled to begin this week.

Final grading of 16<sup>th</sup> Avenue is also scheduled to begin this week.

The intersection is scheduled to reopen on Saturday, August 15 barring any extreme weather delays.

**42<sup>nd</sup> Street**

BEK has commenced work on the 42<sup>nd</sup> Street sewer at 16<sup>th</sup> Avenue working west toward 32<sup>nd</sup> Avenue West.

**4<sup>th</sup> Avenue West**

Aggregate base work and the curb & gutter work has been completed along 4<sup>th</sup> Avenue West. Asphalt work is scheduled to begin this coming week.

### **East Broadway & 7<sup>th</sup> Avenue East**

Knife River has completed the aggregate base work and mainline curb & gutter. Mainline concrete paving is scheduled to begin this coming week.

### **34<sup>th</sup> Street**

Spearfish has completed the 34<sup>th</sup> Street water and sewer lines up to Frontage Road and is now working on the 34<sup>th</sup> Street storm sewer.
