

Opportunity Foundation will host the Fifteenth Annual Darrell Schmidt Memorial Golf Tournament on Saturday, June 13th, at Eagle Ridge Golf Course. Registration begins at 8 a.m. in the clubhouse and the tournament will start at 9 a.m. This tournament was named in memory of Darrell Schmidt, a founding board member of Opportunity Foundation, who was an enthusiastic participant and supporter of the tournament. This golf tournament is usually held in September but this year we moved it up to June 13th.

The tournament was originally started with the intent of raising funds to provide transportation for people with disabilities who have limited incomes. With the ongoing support and money that has been raised, Opportunity Foundation has been able to expand their financial assistance to provide funding to help people with unexpected household and medical expenses as well as transportation expenses that are not covered by other entities.

Teams for the tournament will consist of a 4-person scramble, using two flights. The entry fee of \$440 per team (\$110 per person) will include golf cart fees and lunch. The tournament will start at 9 a.m.

This year the Hole-In-One prize is a Polaris Ranger 500 from Arnie's Motorcycle Sales in Williston. First, second, and third prizes will be given for both flights. There will be a prize for the best dressed team. A putting tournament will be held again this year, with a cash prize, as well as a cash prize to be drawn for one lucky person after the tournament. Many other hole prizes will be given out as well.

This tournament features an easy-going and relaxed atmosphere. It is an opportunity to have fun and help those who really need it. So, get registered and come on out and have fun while helping someone out at the same time!
