Milestone Health Partners to celebrate Groundbreaking for New Facility October 8

Williston, N.D. – A groundbreaking ceremony will be held on Friday, October 8, for [Milestone Health Partners](#) in Williston. The construction site is located at 1905 14th Street West. The clinic is expected to open in fall 2022.

Milestone Health Partners is owned and operated by three Williston therapists: Dr. Amanda Erickson, PT, DPT; Dr. Alyssa Suess, Ph.D., BCBA-D and Dr. Lindy Kirby, PT, DPT. The other staff members include Xylina Miller, RBT; Kayla Black, RBT; Dr. Sam Miller PT, DPT; Krista Hagen, AA and Kaitlyn Kornkven, office manager.

The therapists at Milestone Health Partners offer pediatric and adult physical therapy and pediatric behavioral health services including psychological testing, counseling, and applied behavior analysis.

The practice is currently housed in the former Williston VA Clinic in Downtown Williston. They celebrated their grand opening and ribbon cutting at 205 Main Street on Friday, September 10, 2021.

“We are in the old VA right now, which has been fantastic for us,” said Kirby during the open house. “We’ve been loving the downtown community, which has been really fun to be a part of.”

Kirby explained that their current space is temporary as they will be building a new clinic on the west side of town.

“We have some exciting news. We are building. We are hoping to start soon with an opening date of fall 2022,” Kirby said.

The long-term goal of the group is to expand services. The clinic aims to provide comprehensive therapeutic care across the lifespan.
