Western Region Economic Development wants to help people “Get Involved”

Western Region Economic Development (WRED) is seeking clubs, organizations and religious groups for an online directory.

WRED is a non-profit organization funded through valued memberships, grants, and STAR Fund dollars. The board of directors is comprised of economic development representatives from Divide, McKenzie, Mountrail and Williams Counties as well as business leaders from western North Dakota.

WRED understands that one of the fastest ways to feel like a part of a community is to find people with similar interests. To assist in connecting people, WRED has added a “Get Involved” page to our website. The purpose of this page is to give clubs, organizations and religious groups the opportunity to be listed free of charge in the directory. Our plan is to compile a regional list of clubs, organizations and religious groups. We encourage others to share our page and help new comers to the area connect.

We encourage entities from Divide, McKenzie, Mountrail and Williams Counties in North Dakota as well as entities in Richland, Roosevelt and Sheridan Montana to join the directory. If you have a club, organization or religious group that you would like to have added to the “Get Involved” page, please visit <https://wrednd.com/getinvolved>.

All entries will go to our system administrator for approval before being added to the site.

Thank you for your interest and support of western North Dakota.
