

# Lamont Lynch Home Zebulon, NC (Wake County)

Lamont Lynch lives in Wake County in a newly built neighborhood called Autumn Lakes, located in Zebulon NC. I am a 32 year old male who would like an active male who enjoys outings and being around outgoing people. Lamont Lynch is currently a single male so there will be no children in the home.

Whoever decides to move in, would have his own room with a bed, dresser and a mounted TV on the wall. Lamont Lynch currently works at a psych hospital located in Butner, NC. I have over 10 years of working experience in the mental health field. Lamont Lynch would prefer a younger male but I am open to other options.
