Mrs. Hunt lives in this unlicensed Host Home with her husband. She has been providing Host home/AFL services for over a decade and served the county schools as a bus driver for several years. Mr. Hunt worked as a special education instructor. Mrs. Hunt is comfortable assisting individuals with personal care and hygiene needs. Mrs. Hunt's experience has also provided her with skills to help manage difficult behavioral situations, but prefers an individual who is living in their home not to display physical aggression toward others.

Mrs. Hunt likes to assist individuals in accessing the local community for fun outings as well as establishing a healthy social network. The Hunts enjoy getting out on nice days but are also quite content staying at home and grilling in their peaceful fenced in backyard. They will be flexible and respectful of any individual's choices and preferences who chooses to share their home.

The home is located on a quiet street without much traffic. McLeansville is located close to Greensboro and Burlington. The male worked as a special education teacher for years and the female was a bus driver for years.
