Mission Statement: The Granville K-6 PTO is a nonprofit parent teacher organization whose mission is to establish a close relationship between the parents, teachers, and students by developing opportunities within the school, home, and our community.

PTO Leadership: There's Room for Everyone!

Our PTO Board is made up of parents from all walks of life-some work full-time, some stay home, and everyone brings different strengths and schedules to the table.

Board meetings are **not mandatory**. They're simply an opportunity for PTO leadership to connect with school administration, stay informed and help guide the bigger picture. The day-to-day work that makes our PTO successful happens through our **committees and volunteers**, where parents can choose the events and projects that fit their interests and availability.

What does your PTO do?

Support our students and staff

Provide funding to teachers, classrooms, and buildings

Host student and family events throughout the year

Enhance classroom enrichment programs

Build a better community of learning for our children

A few of our committees...

Spirit Wear
