## *Vehicle Maintenance Schedule*

**Please keep this schedule  
in vehicle at all times.**

### *Driver Instructions*

- Please check the mileage on your vehicle and reference the Preventative Maintenance Schedule inside.
- Please schedule your vehicle for the assigned Preventative Maintenance as soon as the mileage reaches the next interval.
- All Preventative Maintenance is to be performed at the National Accounts listed on this booklet or Fleet Response authorized shops.
- No repairs will be authorized at local garages or dealerships.
- All repairs will be billed through the National Account or Fleet Response vendor agreement.
- Please retain a copy of each invoice in the envelope.

Contact Fleet Response at:

**800.338.0619**

with any questions.

## Services Provider –

- Please verify mileage on the vehicle and perform the necessary maintenance listed on the Preventative Maintenance Schedule.
- Services not listed on the Preventative Maintenance schedule may require additional authorization. Please review guidelines below.
- All invoices must be processed through your National Account Program or per your agreement with Fleet Response,
- Services may only be performed on the vehicle listed.

Please see vehicle specific information below the schedule for your authorization levels. If authorization is required, please call Fleet Response at 1.800.338.0619 and have the following information available:

- 1.) Driver Company name
- 2.) Last 6 digits of the VIN
- 3.) Current mileage

Contact Fleet Response at:  
**800.338.0619**  
 with any questions.

## Preventative Maintenance Schedule
