*None of us is as good as all of us. Members of the Knights of Columbus all know that - together - we can accomplish far more than any of us could individually. So we stick together...we support one another. That doesn't mean that we always agree or that there is never a difference of opinion. It does mean that - as a Knight of Columbus - you can count on the support and encouragement of your brother Knights as you work to make life better in your parish and community*
