*None of us is as good as all of us.
Members of the Knights of
Columbus all know that - together -
we can accomplish far more
than any of us could individually.
So we stick together...we support
one another. That doesn't mean
that we always agree or that there
is never a difference of opinion. It
does mean that - as a Knight of
Columbus - you can count on the
support and encouragement of
your brother Knights as you work
to make life better in your parish
and community*
